Dear Sir:

The undersigned wishes to acknowledge a telephone conference with Examiner Shapiro on March 24, 2005. During this conference, the undersigned inquired as to the status of the Amendment filed on November 3, 2004. The Examiner indicated that he had not yet received the Amendment and suggested that Applicants re-submit that Amendment. Applicants are taking this opportunity to do that. It is noted that because the November 3, 2004 Amendment was timely filed, no extension of time is needed.
